

# WELCOME

To Lakeside Lodge

*Mike &  
Nicole*

# Hello!

Welcome to our little log cabin on the lake. We hope you have an amazing time and enjoy it as much as we do. A while ago, we rented a lake cottage in northern Michigan and started dreaming about how great it would be to own our own place. After saving and searching in February 2021, we finally found this little gem. We appreciate you renting, enjoying, and caring for our cabin as we would.

We've created this guide to help you get the most of your time here, to ensure your safety and the safety of our cabin, community and neighbors, and to help you find your way in and out of the camp.

If you need to reach us in case of an emergency, please call 614.264.4667. For non-emergency queries, please message us on Airbnb messaging app or text. We promise to respond as soon as possible.

Lastly and most importantly, thank you again for selecting our little cabin - we sincerely hope you enjoy your stay.
